ASSADOR'S OFFICE

Office Concept • ARBD Interior Design Services 15/10/201

ministry of technology

A product of a 2009 design studio class, this government fit-up anticipates Workplace 2.0 principles and more collaborative work habits.

Linework: AutoCAD, hand

Colours: hand

vyckie's place

Vyckie's Place is a retreat for spiritually and emotionally abused women and children: a place for them to rest, reflect, and heal in both solitude and togetherness.

Linework: SketchUp, hand

Colours: Photoshop, hand

Colours: hand*

the tesla

In this Berlin steampunk restaurant & nightclub, Nikola Tesla's ætheric transference gates connect universe to universe, and steam powers most machines instead of electricity.

Linework: AutoCAD, Illustrator
